Thank you for volunteering at the Tuscaloosa Community Weekday Soup Bowl. Please make note of your scheduled day, and do your best to be present. Each church is only scheduling two workers/per day, so a “no-show” will be greatly missed. I will try to send reminder postcards the week before your scheduled day, as well as have the assignments listed in the Connecting Point. Feel free to reschedule with someone else on the list, if needed, and let me know of the change. If something comes up at the last minute, then please call Amy at the Soup Bowl directly-752-2421. On your day to volunteer, please arrive by 10:45 and plan on staying until 12:30.
